ALL ABOUT ME

Hi, my name is Rebecca Slye and I am very excited about this upcoming year! This is my 13th year teaching. I spent the first 10 of my career in transition and the last two in kindergarten. I will, again, be working along side Judy and Janet to make this year fantastic.

THESE ARE A FEW OF MY FAVORITE THINGS..

- My favorite color is blue.
- I love animals, I have two dogs and one cat.
- I enjoy being active, doing things outside, and reading.
- Most times you will find me with a smile on my face, music playing, and coffee in hand ready to tackle my next project.
