

## Laremont Parent Support Group 2019-20

Parent Support group is for families with children at Laremont School. We are again joining the larger SEDOL parent support group for several of our group meetings. *All meetings will be on Fridays at 9:30 at either the SEDOL Administration Building (18160 Gages Lake Rd., Gages Lake) or Laremont School.* Our groups vary with a speaker or some with just time to talk and share resources or issues. Feel free to come to one or all groups, you are welcome at any point. Notices will be sent out monthly for the various meetings with locations and times on each notice.
