Hello,

Please see answers below: They will be on the SEDOL website for public viewing on December 14th at 4:00.

Q Will there be an opportunity for Charter Work and or any possible shuttle work?

A No

Q The bid calls for pricing for am, middays and p.m.'s. If you are looking at tiered pricing, does that mean there will be possible work run time changes for a.m.'s and p.m.'s in order to have tiered routes? This would mean that any contractor would then have am and pm work runs, versus just the current midday work.

A No

Q If Sedol does have am and pm routes, about how many routes would you think?

A To be determined/pending enrollment

Q The bid indicates unauthorized personal is not permitted on the bus during routes. Completely understandable, but some contractors do have the option for Drivers to bring their own children with on the routes as long as it does not interfere with the routes and or student's needs? Is this something that Sedol with be open to ?

A No

Q In Exhibit B for the Schools/Work Run locations, are these the only sites moving forward, or will there be other locations added on as time goes on?

A There may be other locations added as time goes on. To be determined/pending Enrollment.

Q Who is your current transportation provider or providers?
